VI. Reading:

1. Read the passage, and then answer the questions. (1 mark)

Young people prefer the city life because they love the noisy and busy life there. They also think that it is easier to find jobs and money in the city than in the country. Therefore, more and more young people leave the country for the city every year. Different from the young, old people like living in the country because the life in the country is quiet and peaceful. In addition, the air is fresher and they can eat healthier foods. After stopping working, many old people move to their home villages to live there.

- a. Why do young people prefer the city life?
→
- b. Do they think it is easy to get jobs in the city?
→
- c. What happens every year?
→
- d. Where do many old people move after they stop working?
→

2. Read the passage, and then choose true (T) or false (F). (1 mark)

Nowadays, football becomes one of the world's most popular games. Millions of people play and watch it all around the world. A football match often has two parts. Each part is forty-five minutes. The first part is the first half and the second part is the second half. There is a fifteen-minute break between the two halves.

There are two teams in a football match. Each football team has eleven players, including a goal-keeper. The players on the ground try to kick the ball into the other's goal. The team which scores more goals wins the match.

- a. Today, football becomes very popular all around the world.
- b. A football match has two halves of forty-five minutes each.
- c. There is no break in a football.
- d. Each football team has eleven players and a goal-keeper.
