VIII. Reading

Part 1: Read the passage and answer the questions (1 p).

Children's education is changing rapidly today. In the past, teachers made children sit for hours. They made them memorize all sorts of things. In other words, children had to go on repeating things until they knew them by heart. Today, many teachers wonder if it is possible to make children learn it on. They say you can only help them learn. They say you must let children learn and discover things for themselves.

1. How is children's education changing today ?

→

2. What did teachers make children do in the past ?

→

3. How did the children in the past have to learn everything ?

→

4. Must the teachers let children learn and discover things for themselves ?

→
