- Answer : 1..... 2..... 3..... 4..... 5..... 6.....

III. READING Part 1 : Read the passage then answer the questions below. (1pt)

It is very important to have healthy teeth. Good teeth help us to chew our food. They also help us to look nice. Firstly, we ought to visit our dentist twice a year. He can fill the small holes in our teeth before they destroy the teeth. Secondly, we should brush our teeth with a toothbrush and fluoride toothpaste at least twice a day. Thirdly, we should eat food that is good for our teeth and our bodies: milk, cheese, fish, brown bread, potatoes, red rice, vegetables and fresh fruit. Chocolates, sweets, biscuits and cakes are bad, especially when we eat them between meals.

* Answer the questions :

- Is it important to have healthy teeth? -
- What can the dentist do with our teeth when we visit him?
.....
- How often should we brush our teeth? -
- What foods are good for our teeth? -

Part 2 Read the text and choose the following statements are True (T) or false (F). (1pt)

Millions of young people play video games. Some play them at home, others play them in arcades. The inventors of the games become very rich. Some of the inventors are as young as 14 or 15. These games are good fun, but players must be careful. They should not spend much time on these games because they can become tired or dizzy. Sometimes, players spend too much time on their own because they like to play video games so much. One doctor says, 'This is very bad for children, They must take part in activities with others. All children should play outdoors and develop their social skills. They should be with people of their own age.

- 1. Young people never play video games. 1.
